Greetings President Palacios,

Thank you – and all the members of the Saipan Chamber of Commerce – for your support of my legislation, the Northern Mariana Islands Workforce Stabilization Act, H.R. 6578.

Your letter captures perfectly the reasons for this legislation. The long-term workers your members employ have the experience and work records that will always make them of value to their employers and our economy as a whole.

I look forward to advancing H.R. 6578 in this or the next U.S. Congress, together with the Chamber, so we can keep these legacy workers in our workforce free of the burdens and uncertainties of the Commonwealth Only Transitional Worker (CW) program.

Sincerely,

A handwritten signature in blue ink, appearing to read 'G. Sablan'.
